The Sursaut Dance Company Celebrates 30 years!

SHERBROOKE, March 3rd 2015 – This month, the Sursaut Dance Company, which is dedicated to the creation, production and dissemination of dance works for young and family audiences, will celebrate 30 years of existence. To highlight this anniversary, the company has launched a fundraising campaign during which the *30th Anniversary Event* will be held on Thursday March 12th 2015 from 5:00 – 7:00pm at the Centre des arts de la scène Jean-Besré.

At this event, guests will be able to relive the company's transformative moments and witness its evolution. "We can be very proud of what Sursaut has become. 30 years of existence for a professional dance company that addresses young audiences, that has developed locally and now shines nationally and internationally is exceptional. We have worked very hard, with passion and conviction to arrive here," declared Adam Dymburt, the company's General Manager.

"The authenticity, integrity and the constant evolution of its artistic approach, as well as the high quality and wide reach of its choreographic works have allowed the Sursaut Dance Company to attain this level of maturity and perpetuity," added Pauline Lacroix, President of the Board of Directors.

For the past 30 years, the company has contributed to the development of a professional arts scene in its region, with the mission of rendering dance accessible to everyone. "We believe in the importance of the presence of artists throughout the territory, in the importance of art in people's lives, as of a very young age. We work seriously, with boldness and rigor to create dance works that inspire both children and adults," explains Francine Châteauvert, Artistic Director of Sursaut.

Sursaut's artists and workers will warmly welcome you to this *30th Anniversary Event*, which will be an occasion to look towards the past, but mostly to the present and the future.
