### **A Second Tour in China for the Sursaut Dance Company**

SHERBROOKE, July 3<sup>rd</sup> 2014 – Following the success of the first tour in China in August 2012, the Sursaut Dance Company is happy to announce a second Chinese tour with the production *At nightfall*. The team will be leaving on July 8<sup>th</sup> for a important six-week tour.

The company will begin touring in Baotou in Inner Mongolia, and will then move on to 11 other Chinese cities, notably Shanghai and Beijing, for a total of 17 performances. *Charlotte's Success*, a short solo piece from the production *Boo!* will also be on the program for this tour. In addition, creative dance workshops will be offered to children in some cities.

This second tour in China solidifies the connections already made with Chinese presenters in order to allow the development of new markets in addition to organizing new tours. It confirms the Sursaut Dance Company's influence on an international scale.

*At nightfall* received a very warm welcome during the tour in Mexico last May. Following this positive response from Mexican presenters and audiences, the company is already planning new tours in South America for the 2015-2016 season.
